

## **HEALTH AND SAFETY POLICY**

The senior Management of R2 Hotels is committed to providing safe and healthy working conditions for our employees, with the aim of raising the levels of safety, health and well-being of the organisation itself by integrating the prevention of injuries and deterioration of their health into the company culture.

Responsibility in the management of Health and Safety at Work is incumbent on all of us, assuming all the commitment to incorporate preventive management in our daily activities.

Continuous improvement in preventive action can only be achieved through information, consultation and participation of staff at all levels of the organisation.

Measures to meet our goals:

Guaranteeing worker training in health and safety at work, adequate for the correct development of their work, as well as promoting awareness and training.

Providing safe and healthy working conditions to prevent injuries and deterioration of health related to the work carried out.

Guaranteeing general information to workers, as well as direct information on the specific risks that affect their respective jobs or functions, and on the application and prevention measures applicable to these risks, facilitating their consultation.

Verifying compliance with the applicable legal requirements, as well as those of the organisation itself, which affect us in each activity, adopting best practices.

Periodically reviewing the occupational health and safety system appropriate to our organisation, adopting measures that allow us to continuously improve its effectiveness.
